

Household appliances – BW-REC

Tariffs valid from July 1st 2004

1.1. Refrigerators and freezers

€ 20,00*

Absorption cool box	All cool and/or freezer boxes working on the absorption principle
Air dehumidifier	All appliances with weight < 40 kg and power < 750 W
Climate control appliance	All appliances with power cord and plug
Combination refrigerator and freezer appliance	All appliances with interior door fittings
Freezer - chest	All models with single lid (more than one lid or no lid = no Recupel contribution)
Freezer - upright	All models excepting those with permanent transparent door
Refrigerator	All appliances with interior door fittings (excepting those with absorption system with only power supply of 230 volt)
Wine refrigerator	All electrically cooled wine cellars

1.2. Large appliances

€ 10,00*

Combination washing machine	All appliances excepting those with multi-phase connection and tumble dryer
Dishwasher	All appliances excepting those with multi-phase connection
Electric cooker	All models with smallest plate < 2.9 kW
Gas cooker with electric/electronic element	All models with smallest burner < 3.5 kW
Ironing machine	All appliances excepting those with multi-phase connection
Solarium with overhead lamps	All appliances
Spin dryer	All appliances excepting those with multi-phase connection
Sunbed	All appliances
Tumble dryer	All appliances excepting those with multi-phase connection
Washing machine	All appliances excepting those with multi-phase connection and appliances fitted with coin-operation mechanisms

1.3. Small appliances

€ 5,00*

Combination oven	All appliances
Combination vacuum cleaner/floor cleaner	All appliances with a weight < 15 kg
Cooker hood	All appliances operating autonomously, including split appliances, (except appliances fitted with air ducts for central system)
Electric cooking or hot plates (multiple)	All appliances with a capacity of the smallest plate < 2.9 kW
Floor cleaner	All appliances with a weight < 15 kg
Floor polisher	All models with weight < 15 kg
Gas cooking or hot plates (multiple)	All appliances with a capacity of the smallest burner < 3.5 kW with at least one elctr(on)ic element
Knitting machine	All appliances with power cord and plug
Microwave oven	All appliances
Mini washing machine	All appliances
Oil-containing radiator	All appliances with a capacity < 5 kW
Oven	All appliances with a capacity < 5 kW per oven space
Sewing machine	All appliances with internal motor
Steam cleaner	All appliances
Trouser press	All appliances

1.4. Vacuum cleaners

€ 3,00*

Dust and/or water vacuum cleaner	Capacity of dust and/or water container < 10 litres
---	---

* 21% VAT Incl.

Audio-video appliances – AV

Tariffs valid from July 1st 2004

2.1. Image reproduction appliances

€ 11,00*

Navigation system with separate monitor	Navigation systems (fixed montage) with separate monitor larger than 8"
Plasma TV / LCD-TFT TV	Plasma monitors, TFT (= Thin Film Transistor) – LCD (Liquid Crystal Display) TVs
Pocket TV	All types of televisions (including for building-in in automobiles)
Projection TV in cabinet	Rear view projection TVs (with internal mirror)
Television	Television with CRT (picture tube)
TV-DVD combination	Television including DVD player
TV-tuner combination	Television including tuner
TV-video combination	Television including video
TV-video-computer combination	Television including video and computer

2.2. Audio and video reception/recording/reproduction appliances

€ 6,00*

Electric field glass / telescope / night glass	All movable electric filed glasses/telescopes/night-glasses (except appliances with fixed position)
Hard-disc recorder	All hard-disc recorders/players and combinations with other applications
Home theatre set	Combinations of DVD + receiver + loudspeakers or DVD receiver + loudspeakers
Laser disc player	Appliance for the reproduction of text, sound and/or television images with laser disc as storage medium
Loudspeaker set (2 or more speakers)	Set of loudspeakers in which electrical energy is transformed into acoustic energy, generally to produce music and sound of voice and which are sold as a single reference
Mini, midi, and micro audio system	So-called hi-fi towers in various sizes (with or without loudspeakers)
Monitor: Plasma/TFT-LCD	Plasma/TFT-LCD screens (without built-in tuner)
Satellite receiver + set-top box	Decoder of satellite signals + interface box
Saucer antenna	All parabolic reflector antennas with electric power supply
Security camera	All security cameras
Security monitor	All security monitors
Video camera	Camera for making video recordings
Video editing equipment (consumer)	Equipment for manipulating and editing video recordings
Video glass	All video glasses
Video player/recorder	Appliance for the recording and reproduction of sound and/or television images with video cassette as storage medium with or without built-in screen (CRT or LCD-TFT or Plasma) larger than 8" except appliances explicitly intended for surveillance purposes (time lapse)

2.3. Sound recording - reproduction appliances

€ 4,00*

Audio amplifier	All types of amplifiers for audio appliances except the 19" rack version or appliances with 100 Volt output transformer or with XLR connector or mono-bridge
Audio amplifier and DVD	All amplifiers (except the 19" rack version or appliances with 100 Volt output transformer or with XLR connector or mono-bridge) and DVD
Car audio package	All types of hi-fi systems for automobiles comprising multiple modules consisting of on the one hand radio, radio with cassette or CD or MD or MP3 player and on the other hand CD or MD or DVD changer or GPS (with separate screen smaller than 8" or with voice guidance) and/or equaliser and/or amplifier
DVD player/recorder (including portable)	Appliance for the recording and reproduction of sound and/or television images with DVD as storage medium (INCLUDING portable) except the 19" rack version
Radio/Tuner/TV Receiver	Appliance for receiving radio and/or TV signals (only with fixed mains supply), except the 19" rack version or with XLR connector or appliances with 100 Volt output transformer
Record player	Appliance for playing gramophone records, except record players with speed control (fader/pitch control)

Sound mixer/mixing board

Switchboard for controlling the sound coming from various sources before it is routed to an amplifier or loudspeaker, except all appliances with minimum 50% mono inputs or the 19" rack version or larger, or with XLR connector

Tape/cassette/CD/MD player/recorder

Appliance for recording and reproducing sound with tape/cassette/CD/MD as storage medium, except the 19" rack version and appliances with pitch control and XLR connector

2.4. Wireless appliances and car audio**€ 1,50*****Baby alarm**

All movable baby alarms

Baby monitor

Mobile intercom systems, 1-way and/or 2-way

Built-in loudspeaker

All appliances in which electrical energy is transformed into acoustic energy, (including for automobiles) generally to produce music and sound of voice except those with ceramic connectors or with spring clamps for building in or loudspeakers with metal grid or 100 Volt mains supply

Car audio amplifier/equaliser

Amplifier and/or equaliser for audio appliances for building in in automobiles (except with microphone input)

Car audio item

All types of single audio modules with for example CD or MD or DVD or navigation system with built-in monitor smaller than 8" with or without voice guidance, CD, MD, DVD changer or memory card/radio/radio with cassette or CD or MD or DVD player or MP3 player or memory card, radio GSM module

Headphones

Only wireless headphones with battery (IR, electromagnetic, etc.)

Microphone

Hand microphones (appliance that converts sound vibrations into electrical vibrations) with fixed connecting cord

Navigation system

Navigation system (built-in or surface-mounted) with built-in monitor smaller than 8" with or without voice guidance

Portable radio and audio appliances (per item)

All portable radio and audio appliances, except appliances defined in Category 2.6

Photo camera (analogue)

All analogue photo cameras excluding photo cameras defined in Category 2.6

Photo camera (digital)

All types of digital photo cameras

Radio alarm clock

All clock radios and radio alarm clocks operating on batteries/electricity

2.5. Image printers and projectors**€ 2,00*****Camera printer**

Only appliances for printing photos

LCD projector

All portable projectors with maximum resolution without compression = SVGA (consumer oriented)

Slide projector

Analogue projectors

Video printer

Appliance for printing video images

2.6. Other**€ 0,10*****Alarm installation**

All combined, removable alarm installations on batteries or electricity

Antenna

All antennas (except those defined in 2.2) on electric power supply

Battery loader

All battery loaders

Remote control

All remote control units sold separately

Passive loudspeakers

Set of maximum 2 loudspeaker cabinets for connexion on headphone output of mini-jack plug mp3 player,...

Photo camera (analogue)

Photo camera with ONLY battery and flash and WITHOUT automatic film transport, light meter, viewer, autofocus, distance meter, etc. Disposable appliances with battery are exempt from the Recupel contribution on condition that the manufacturer/importer collects these appliances and recycles them using the existing system.

Portable radio WITHOUT built-in loudspeakers

Portable radio without built-in loudspeakers and with earphones only

2.7. Peripherals**€ 3,00*****Loudspeaker cabinet**

Loudspeaker cabinets with 1 or more built-in loudspeakers in which electric energy is converted into acoustic energy, generally to reproduce music and the sound of voice. Exempted are loudspeaker cabinets equipped with jack, Speakon, XLR connector and those with transportation handles and horn loudspeakers.

Wireless video transmitter

All wireless video transmitter

* 21% VAT Incl.

Small household appliances – SDA

Tariffs valid from July 1st 2004

3.1. Home Environment Care

€ 1,00*

Active ironing board	All fold-up appliances
Air humidifier	All appliances
Air purifier	All mobile appliances with power cord and plug
Cat box	All electric cat boxes
Ceiling-mounted fan	All appliances
Cooling/heating appliance (operating on the Peltier principle)	All appliances with a ceramic condenser
Dustbuster	All appliances
Electric blanket	All electric overblankets
Fragrance diffusers	All appliances with power cord and plug and/or battery(ies)
Heating cushion	All appliances
Insect killer with ultraviolet	All insect killers with ultraviolet
Iron	All mobile appliances with power cord and plug
Low voltage electric underblanket	All electric underblankets (mattress warmers)
Mobile radiation panel	All appliances with power cord and plug
Personal fan	All mobile appliances with power cord and plug, including those for 12 Volt
Portable heater	All appliances with power cord and plug (excl. oil-fired bathroom radiators, c.f. BW-REC 1.3)
Steam iron with or without external steam generator	All mobile appliances with power cord and plug
Trimmers for animals	All trimmers
Ventilation system	All appliances
Wall-mounted fan	All appliances with power cord and plug
Weather station	All individual or combined weather stations (temperature, pressure, wind speed, humidity,...)
Wool defuzzer	All appliances

3.2. Men's Shaving and Grooming

€ 1,00*

Beard trimmer	All appliances
Electric razor	All appliances
Hair trimmer	All appliances
Nose and ear hair trimmer	All appliances

3.3. Ladies' beauty and care products

€ 1,00*

Curler set	All appliances
Curling iron/tongs	All appliances
Depilatory kit	All appliances (shaving, depilation, etc. + all appliances based on waxing technology)
Electric slimming pants	All appliances
Facial massage appliance	All appliances
Facial tanner	All appliances
Hair colouring appliance	Only appliances with battery(ies)
Hair dryer	All appliances
Hair drying hood	All portable appliances without stand
Hair styler	All appliances
Manicure and/or pedicure appliance	All appliances

3.4. Appliances for health, massage, etc.

€ 1,00*

Acupuncture appliance	All acupuncture appliances
Aromatherapy appliance	All appliances
Bathroom scales	All appliances including appliances with a body fatmeter
Bright light	All appliances
Combination electric mouthwash/toothbrush	All appliances
Electric mouthwash	All appliances
Facial cleanser	All appliances
Facial sauna	All appliances
Foot massage appliance	All appliances
Infrared lamp	All appliances
Massage appliance	Net weight of the appliance < 1,000 gr and/or with maximum 130 W power
Muscle developing device	Only appliances with battery(ies)
Toothbrush	All appliances

3.5. Appliances intended for use in culinary preparations

€ 1,00*

Barbecue	All appliances with power cord and plug and/or battery(ies)
Blender	All appliances
Bottle warmer	All appliances
Bread maker	All appliances producing a maximum of 1 loaf simultaneously
Can opener/knife sharpener	All appliances including combination appliances
Cheese maker	All appliances
Chopping device	All appliances
Coffee grinder	All appliances with capacity ≤300 gr
Coffee machine	All appliances with water reservoir ≤2 litres
Cooking or hot plate (single)	All appliances with power rating ≤2.9 kW
Deep fat fryer	All appliances with capacity ≤5 litres oil/fat (maximum usage capacity) including built-in appliances
Dish warmer	All individual appliances with power cord and plug
Electric kettle	All appliances with capacity ≤2.5 litres
Electric knife	All appliances
Electric wok	All appliances
Egg boiler	All appliances that boil maximum 8 eggs simultaneously
Espresso machine	All machines with a capacity of maximum 40 cups per hour
Film sealing device	All appliances with power rating ≤200 Watt
Fondue set	All appliances
Food processor	All appliances with capacity ≤5 litres/5 kg
Fruit squeezer	All appliances
Gourmet set	All appliances
Grill (small) and built-in grill	All appliances with power rating ≤2 kW
Hotdog machine	All hotdog machines with power cord and plug
Ice-cream machine/sorbet machine	All appliances with capacity ≤2 litres
Juice centrifuge	All appliances with a processing capacity of maximum 3.5 kg / 3 litres fruit/vegetables
Kitchen scales	Appliances with a maximum capacity of 6 kg
Kitchen timer	All electric kitchen timers
Meat grinder	All appliances with a power rating ≤1.3 kW
Milkshake maker	All appliances
Mixer	All mixers including rod, hand mixers, kneaders of which the handle/rod ≤30 cm
Multi party (pancake party)	All appliances with a power rating ≤2.5 kW
Pierrade (stone grill)	All appliances
Pizza pan	All pizza pans
Plate warmer	All appliances with a power rating < 400 Watt and suitable for < 30 plates
Potato peeler	All potato peelers with power cord and plug
Pressure cooker	All portable appliances with power cord and plug or usage of 12 Volt
Raclette set	All appliances
Rice cooker	All appliances with a capacity ≤3.5 litres
Salt and pepper set	All electric salt and pepper sets
Sandwich toaster	All appliances that make a maximum of 4 toasted sandwiches simultaneously
Sauce maker	All appliances with capacity ≤1 litre
Slicer	All appliances with knife diameter ≤190 mm
Steamer	All portable appliances with power cord and plug
Steriliser	All appliances suitable for maximum 12 baby bottles
Tea machine	All appliances with water reservoir ≤2 litres
Toaster	All appliances that toast a maximum of 4 slices
Vacuum packer	All appliances with power rating ≤200 Watt
Waffle iron	All appliances with a capacity ≤2 kW
Water filter	All appliances with an ultraviolet light
Yoghurt maker	All appliances with a capacity ≤1.5 kg

3.6. Miscellaneous

€ 0,10*

Air freshener	All air fresheners with or without ventilator
Alarm clock	Only appliances with battery(ies)
Individual clock	Only appliances with battery(ies)
Insect killer with pastilles	All insect killers with pastilles
Personal fan	Only appliances with battery(ies)
Stopwatch	All electric stopwatches

* 21% VAT Incl.

ICT appliances

Tariffs valid from July 1st 2004

4.1. Nihil

4.2. Personal computers and typewriters

€ 3,00*

Computer case	All computer cases (tower and case) with built-in power supply, with or without other built-in computer components (barebones)
Desktop personal computer	All PCs and workstations designed for use at home and in a professional environment (including internal parts such as CD-ROM drive, floppy drive, etc.) except appliances configured as a server with Serverstart and/or Serverview software
Electric/electronic typewriter	All electrically powered typewriters, with or without built-in display

4.3. LCD Monitors

€ 6,00*

LCD Monitor	All LCD screens designed for computer applications (excluding permanently built-in and integrated displays in operating panels and instrument panels)
--------------------	---

4.4. Laptops and peripherals

€ 2,00*

Laptop personal computer	All portable computers with weight ≥ 1.4 kg
Projector for PC	
Scanner	

All portable projectors with maximum resolution without compression = SVGA (consumer oriented)

All scanners with weight ≤ 5 kg and designed for use as computer peripheral

4.5. Paper printing appliances (excluding thermal and label printers)

€ 2,00*

Fax machine/multi-functional device	All fax machines weighing ≤ 7 kg including fax machines with primary function fax in combination with additional functions (copying, answering machine, printing, scanning, faxing)
Ink-based printer	
Laser printer	

All ink-based printers without removable paper tray

All laser printers without removable paper tray

4.6. Photocopiers

€ 3,00*

Copying device/multi-functional device	All copying devices with weight ≤ 20 kg with primary function copying including copying devices in combination with additional functions (fax, printer, answering machine)
---	---

4.7. Small IT

€ 0,50*

Calculator with printing facility	All types of calculators powered by mains, batteries or solar energy with printing facility
Computer keyboard	
Computer loudspeakers (per 2)	
Computer mouse	
Dictaphone	
External drive	
External modem	
Games computer	
Handheld computer	
Hub / switch	
Laminating machine	
Notebook computer	
Organiser	
Paper shredder	
Pencil sharpener	

All keyboards designed for use with PC with or without electronic payment and/or scanning system

All loudspeaker sets designed for computer applications

All types of computer mice

All IC and magnetic tape recorders powered by mains or batteries or both

All external read and write peripherals (CD-ROM, CD-R/RW, DVD, ZIP, etc.) designed for use with computer

All external modems designed for internet use

All game consoles with minimum 32-bit microprocessor

All pocket computers (including computers with built-in printer and /or transmission equipment and computer translators)

All hubs / switches for household use with maximum 6 out -ports

All mains-powered laminating machines for binding bundles of paper or books, covering and/or laminating and with weight ≤ 5 kg

All portable computers with weight < 1.4 kg (excluding computers with built-in printer and transmission equipment)

All electronic pocket diaries (including all possible combinations with calculator, etc.)

All paper shredding appliances with weight ≤ 10 kg (not including paper container)

All pencil sharpeners on mains supply or batteries

Scanning pen

Scanning pen for scanning texts and transporting information using infrared, USB or serial port in real-time electronically to the computer, PDA or mobile phone, with or without the option of storing data temporarily

Stapler (for office use)

All staplers on mains supply or batteries

Webcam

All web cameras

4.8. Telecommunication devices

€ 0,50*

Answering machine

All automatic telephone answering machines

Cordless telephone

All mobile telephone sets that operate via a local base station

GPS unit

All portable GPS units with built-in screen smaller than 8", with or without voice guidance

GSM (mobile telephone)

All mobile telephones (including all possible combinations with calculator, organiser, GPS, etc.)

Home telephone exchange

All telephone exchanges and base stations (fixed or mobile) to which maximum 6 fixed and/or wireless telephones can be connected

Telephone

All fixed sets that operate as standalone units or connected to home telephone exchanges

4.9. Other appliances

€ 0,10*

Calculator without printing facility

All types of calculators powered by mains, batteries or solar energy without printing facility

4.10. CRT Monitors

€ 8,00*

CRT Monitor

All CRT monitors designed for computer applications (excluding permanently built-in and integrated displays in operating panels and instrument panels)

4.11. Computer loudspeaker set

€ 6,00*

Loudspeaker set (more than 2 loudspeakers)

Set of loudspeaker cabinets (intended for use as peripheral for computer) in which electrical energy is transformed into acoustic energy, generally to produce music and sound of voice and which are sold together as a single reference

* 21% VAT Incl.

Electric tools and gardening equipment - ET&G

Tariffs valid from July 1st 2004

5.1. Electric gardening tools

€ 2,00*

Aerator	All electrical appliances with power cord and/or plug or battery
Chain saw	All electrical appliances with power cord and/or plug or battery
Compost mill	All electrical appliances with power cord and/or plug or battery
Edge trimmer (nylon)	All electrical appliances with power cord and/or plug or battery
Hedge clipper - hedge trimmer	All electrical appliances with power cord and/or plug or battery
Lawnmower	All electrical appliances with power cord and/or plug or battery
Lawn scarifier	All electrical appliances with power cord and/or plug or battery
Leaf blower/vacuum sweeper	All electrical appliances with power cord and/or plug or battery
Pond pump	All electrical appliances with power cord and/or plug or battery with flow rate $\leq 15,000$ litres/hour and a capacity $\leq 1,5$ kW
Pruning shear	All electrical appliances with power cord and/or plug or battery
Sprinkler	All electrical appliances with power cord and/or plug or battery
Stalk shredder	All electrical appliances with power cord and/or plug or battery
Undergrowth cutter	All electrical appliances with power cord and/or plug or battery
Well pump	All electrical appliances with power cord and/or plug or battery with flow rate $\leq 15,000$ litres/hour and a capacity $\leq 1,5$ kW

5.2. Electric tools

€ 2,00*

Band saw	All electrical appliances with power cord and/or plug or battery
Belt sander	All electrical appliances with power cord and/or plug or battery
Block sander	All electrical appliances with power cord and/or plug or battery
Blowing and suction appliance	All electrical appliances with power cord and/or plug or battery
Break hammer	All electrical appliances with power cord and/or plug or battery
Circular saw	All electrical appliances with power cord and/or plug or battery
Compressor	All electric compressors with tank volume ≤ 10 liter
Concrete cutter	All electrical appliances with power cord and/or plug or battery
Cutting machine with disk	All electrical appliances with power cord and/or plug or battery
Diamond core drill for wet and dry drilling	All electrical appliances with power cord and/or plug or battery
Drill	All electrical appliances with power cord and/or plug or battery
Eccentric sander	All electrical appliances with power cord and/or plug or battery
Edge cutter	All electrical appliances with power cord and/or plug or battery
Glue gun	All electrical appliances with power cord and/or plug or battery
Grinder	All electrical appliances with power cord and/or plug or battery
Hammer drill	All electrical appliances with power cord and/or plug or battery
Hammer screwdriver	All electrical appliances with power cord and/or plug or battery
High pressure cleaner	All portable appliances and ≤ 2.2 kW
Impact wrench	All electrical appliances with power cord and/or plug or battery
Inflation pump	All electrical appliances with power cord and/or plug or battery
Jackhammer	All electrical appliances with power cord and/or plug or battery
Jig saw	All electrical appliances with power cord and/or plug or battery
Metal cutting saw with blade	All electrical appliances with power cord and/or plug or battery
Milling machine	All electrical appliances with power cord and/or plug or battery
Mini-tool (proxon – dremel)	All electrical appliances with power cord and/or plug or battery
Mitre saw	All electrical appliances with power cord and/or plug or battery
Mixer	All electrical appliances with power cord and/or plug or battery
Multifunctional machine	All electrical appliances with power cord and/or plug or battery
Paint roller	All electrical appliances with power cord and/or plug or battery
Paint spray gun	All electrical appliances with power cord and/or plug or battery
Paint stripper	All electrical appliances with power cord and/or plug or battery
Rechargeable air pump	All electrical appliances with power cord and/or plug or battery
Reciprocating saw – pendulum saw – sword saw	All electrical appliances with power cord and/or plug or battery
Screwdriver	All electrical appliances with power cord and/or plug or battery
Sheet cutter	All electrical appliances with power cord and/or plug or battery
Sheet metal cutter	All electrical appliances with power cord and/or plug or battery
Solder equipment	All electrical appliances with power cord and/or plug or battery
Stapler / nail machine	All electrical appliances with power cord and/or plug or battery
Submersible and submerged pump	All electrical appliances with power cord and/or plug or battery for the garden with flow rate $\leq 15,000$ litres/hour
Straight cutter	All electrical appliances with power cord and/or plug or battery
Table circular saw	All electrical appliances with power cord and/or plug or battery
Tackle	All electrical appliances with power cord and/or plug or battery
Tapping machine	All electrical appliances with power cord and/or plug or battery

Triangle sander
Trimming machine
Universal scraper
Vacuum cleaner for electrical tools
Wall miller
Wallpaper steamer
Welding apparatus (single-phase)

All electrical appliances with power cord and/or plug or battery
All electrical appliances with power cord and/or plug or battery
All electrical appliances with power cord and/or plug or battery
All electrical appliances with power cord and/or plug or battery
All electrical appliances with power cord and/or plug or battery
All electrical appliances with power cord and/or plug or battery
All electrical appliances with power cord and/or plug or battery
All movable single-phase welding appliances

* 21% VAT Incl.

Lighting equipment - LightRec

Tariffs valid from July 1st 2004

Definition:

A luminary is an appliance in which a light source can be assembled – having as the head aim to light an object or a surrounding and, to the exclusion of the light sources themselves, contains the necessary components for fixing and protecting the light sources as well as for the direct or indirect connection to the mains supply.

Household and residential lighting

6.1 Indoor lighting equipment

€ 1,40*

All appliances intended to be placed separately, to be fixed on or built-in in for example walls, floors or ceilings in rooms of buildings, in order to provide them with functional, decorative or accent lighting.

6.2 Outdoor lighting equipment

€ 1,40*

All appliances designed to light up gardens, housefronts, private swimming pools, ...

Indoor lighting

6.3 Decorative or accent lighting equipment

€ 1,40*

All appliances intended to be placed separately, to be fixed on or built-in in for example walls, floors or ceilings in rooms of buildings, in order to provide them with decorative or accent lighting

6.4 Functional lighting equipment

€ 1,40*

All appliances intended to be placed separately, to be fixed on or built-in in for example walls, floors or ceilings in rooms of buildings, in order to provide them with functional lighting

6.5 Security lighting equipment

€ 1,40*

All individual security and security signalisation appliances intended to be placed separately, to be fixed on or built-in in for example walls, floors or ceilings, to secure safety lightening of exits and emergency equipment.

Outdoor lighting

6.6 Decorative lighting equipment

€ 1,40*

All appliances intended to be placed on standard piles or light piles to provide an environment (e.g. streets, pavements, cycle tracks, parcs,...) with decorative outdoor lighting

6.7 Functional lighting equipment

€ 1,40*

All appliances intended to be placed on standard piles or light piles to provide an environment (e.g. streets, pavements, cycle tracks, parcs,...) with functional outdoor lighting

6.8 Tunnel lighting equipment

€ 1,40*

All appliances with 1 or more light sources designed to provide underground passages (e.g. for vehicles, pedestrians,...) with public lighting

6.9 Spotlight

€ 1,40*

All spotlights intended to provide public places (e.g. stadium, airport, port, argiculture,...) and dedicated technical areas with outdoor lighting

* 21% VAT Incl.

From this definition and product list are excluded:

- **loose components which belong yes or no to a lighting appliance;**
- **the components which do not form from the design and production entirely: piles, light boxes, decorative elements, ...;**
- **appliances which do not have lightening an object or a surrounding as primary aim, e.g. publicity lighting (posters, bus shelters, columns, ...), equipment for road or railway signalisation, appliances for horticulture, incubators (broodhens);**
- **pockettorches**
